Late Shree C. U. Shah: ICON OF SELFLESS SERVICE TO HUMANITY

A Man with a Mission:
*“Never hurt-ever
help”*

The Institution took shape under the aegis of the great visionary and philanthropist Shri C. U. Shah, who is a man with mission “Never hurt-ever help”, a person who dedicated his life for the social uplifting by building educational, medical and social institutions mainly in the district of

Surendranagar in Gujarat and also in other parts of the country.

He left us for his heavenly abode on 31-1-2013 but his SPIRITUAL PRESENCE is always with us guiding us into the right path.

"THE END OF AN ERA"

MESSAGE

DEAN

Dr Rina A Gadhavi

(M.B.B.S., MD-Anesthesiology)

Prof. Anesthesiology, CUSMC, Surendranagar
Gujarat.

Message:

C. U. Shah Medical College is by now 18 years old with established UG and PG courses. The college started in the year 2000 and was recognized by MCI for UG in 2005. Since, then it has progressed by leaps and bounds. P.G. Courses are being run in almost all subjects with almost all of them recognized by MCI & Govt. of India

The campus. "C.U. SHAH AROGYADHAM" is fast transforming itself into an educational hub with UG & PG courses in Physiotherapy, Course of Bachelor in Audiology & Speech Language Pathology and many more.

The whole credit for envisaging and executing this enormous philanthropic activity goes to Late Sri C. U. Shah Sahib whose contributions, financially and otherwise, in developing many Institutions all over India are well known. He left us for his heavenly abode in January 2013 but his spiritual presence guides us through.

I am sure that with the dedicated efforts of the management and administration team, this Institution will attain new heights of achievements and will become an ICON of education and healthcare.

With best regards.

(Dr. Rina Gadhavi)

Surendranagar (state of Gujarat in India)

- Population: 1.75 million people¹
- Average Literacy: 72.13¹
- Surendranagar was used by colonialists as a hill station, because of its dry environment that was beneficial for some physical as well as mental ailments. Surendranagar's dry air is still believed to be the best
- The second highest rate of development in the state of Gujarat.
- The second highest number of educational institutes per capita.

Businesses

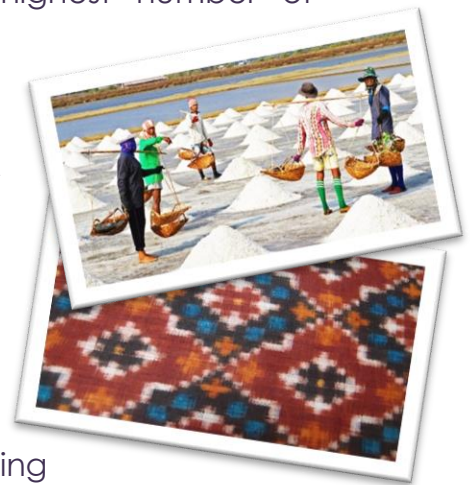

Many small and medium enterprises and industries are present including confectionery, ceramics, pharmaceuticals, engineering plastics and salt production.

✚ Natural resources

Nearly 25 percent of India's salt supply comes from mining in the Surendranagar area.

✚ Textiles

Surendranagar is a hub of cotton and ginning activities in India. Surendranagar City is also home to a big textile and clothing market, specializing in saris.

Culture

Raj-Rajeshwari Temple, The temple features an exhibition of yoga performed by *Rishiji*. The temple is noted for its architecture.

The famous kund known as "Gangavo" is located in Dedadara village. It was developed in the 11th

century.

There are many cultural institutions

Accredited with Grade B++ by NAAC 2017

Education plays a vital role in the development of any nation. Therefore, there is a premium on both quantity (increased access) and quality (relevance and excellence of academic programmes offered) of higher education. The NAAC has been set up to facilitate the volunteering institutions to assess their performance vis-a-vis set parameters through introspection and a process that provides space for participation of the institution.

The National Assessment and Accreditation Council (NAAC) is an organisation that assesses and accredits higher education Institutions (HEIs) in India. It is an autonomous body funded by University Grants Commission of Government of India headquartered in Bangalore.

C. U. Shah Medical College is one of the few Medical College which is accredited with NAAC. The institute accredited with grade B++ by NAAC in November, 2017.

The Saurashtra University

The college is affiliated to Saurashtra University, Kalavad Road, Rajkot.
